

**Advocacy: Changing Mindsets of Today for a Better Tomorrow**

Think back to the last time you may have talked with a friend or co-worker about an issue that's important to you. You may not have realized it at the time, but in the simplest terms, that's advocacy.

Last month we invited YOU to share with us how you are using your voice and your story to build more inclusive, safe and healthy communities. Click below to see how some of our staff also shared their own stories of why they advocate and how they are using their voices.

Another opportunity to advocate is on November 2 when Texas voters can weigh in on a number of potential changes to the state's Constitution and cast their votes on local elections. To learn more about an election in your area, what's on the ballot, to check if you're registered to vote and to find your polling location, visit [VoteTexas.Gov](http://VoteTexas.Gov).

**TAKE ACTION: Vote TODAY!**

And if you want to do more, be sure to [register for our November 16 Virtual Viewpoints: Are You Ready to Run.... For Office?](#) Join us for a discussion about the political process and the need for women representation in politics. Click below to register and be sure to share it with your networks!
