

Hilda Galvan

Chair

For more than 25 years, Hilda Galvan, a nationally recognized trial lawyer who focuses on complex intellectual property litigation, has represented plaintiffs and defendants in courts across the country. She has served as lead counsel for companies in the enforcement of their patent portfolios and in defending them against allegations of patent infringement. Chambers noted, in 2016, that Hilda is prized by clients for her ability to "bring experience and strategy" to IP disputes arising in the electronics and software sectors. Hilda was recognized by Best Lawyers of America as the 2019 Best Lawyer in Patent Litigation in Dallas.

After receiving her Bachelor of Science in Electrical Engineering from the University of Texas at El Paso, Hilda practiced as an engineer in the telecommunications industry. She later obtained her J.D. from the University of Texas at Austin.

Hilda places a high priority on community service. She is past chair of the board of the Dallas Regional Chamber, serves as a Trustee for the University of Texas School of Law Foundation and SMU Lyle School of Engineering, and on the boards of Parkland Foundation, Texas Women's Foundation and the Dallas Hispanic Law Foundation, among others. Hilda was named one of "The Most Powerful Business Leaders" in Dallas-Fort Worth" by D CEO and is the Managing Partner of the Dallas Office of Jones Day.
