

Tricia Miller
Board Director

Tricia is committed to insuring that everyone has the opportunity and resources to fulfill their potential. This commitment leads her to be actively involved in issues concerning education, healthcare and in particular, the advancement of women

She supports and advocates for all women to recognize their strengths and embrace available support as they pursue their goals.

Tricia serves on the Board of Directors of Annie's List Texas, Friends of UTSW Medical Center, PAC board member and the Planned Parenthood of Greater Texas Community Board. She has recently served on the Board of KERA.

Tricia has served on the TXWF Board since 2019 and is a member of the Advocacy Committee.

To relax and re-charge she enjoys golfing, hiking and occasionally taking in a movie.
